Re: Notice of Suspension

Ladies & Gentlemen:

On behalf of the Defense Logistics Agency (DLA), I have suspended Lantern Software Solutions from Government contracting and from directly or indirectly receiving the benefits of federal assistance programs or from purchasing surplus Government property under the Federal Property and Management Regulations. I have initiated this action pursuant to the authority of, and the debarment procedures contained in, the Federal Acquisition Regulation (FAR) Subpart 9.4. For your information, I have enclosed copies of FAR Subpart 9.4, the Defense FAR Supplement (DFARS) 209.4 and Appendix H, 32 C.F.R. Part 25, and DLA's Debarment and Suspension procedures in Defense Logistics Acquisition Directive 4105, along with the corresponding web site addresses.

On May 30, 2002, a Criminal Information was filed against Jeffrey Heisler in the United States District Court for the Eastern District of Virginia charging a violation of 18 U.S.C. § 371 (Conspiracy). Jeffrey Heisler is the chief technical officer of Lantern Software Solutions. Pursuant to FAR 9.406-5(a), the fraudulent, criminal, or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a contractor may be imputed to the contractor when the conduct occurred in connection with the individual's performance of duties for or on behalf of the contractor, or with the contractor's knowledge, approval, or acquiescence. The criminal conduct of Jeffrey Heisler may be imputed to Lantern Software Solutions because Mr. Heisler's conduct occurred in connection with the performance of duties for or on behalf of Lantern Software Solutions, or with the knowledge, approval, or acquiescence of Lantern Software Solutions. The imputation of Mr. Heisler's criminal conduct to Lantern Software Solutions provides a cause for its suspension, pursuant to FAR 9.407-2(c).

Additionally, pursuant to FAR 9.407-1(c), suspension may be extended to affiliates of a contractor. As defined in FAR 9.403 "Affiliates", Lantern Software Solutions and Jeffrey Heisler are affiliates because, (a) either one controls or has the power to control the other, or (b) a third party controls or has the power to control both. The affiliation provides a separate and independent cause for the suspension pursuant to FAR 9.407-2(c). The suspension is temporary pending the completion of the legal proceedings against Jeffrey Heisler.

Notice of Suspension of Lantern Software Solutions, Inc.

Effective throughout the executive branch of the Federal Government, the suspension applies to both procurement and sales contracting. A temporary measure, the suspension stays in place pending completion of the legal proceedings and has the following consequences:

1. The company name, Lantern Software Solutions, Inc., will be published in the List of Parties Excluded From Federal Procurement and Nonprocurement Programs, a publication of the General Services Administration that contains the names of contractors debarred, suspended, proposed for debarment, or declared ineligible by any agency of the Federal Government. You may also access the list on the Internet at the web site shown in Enclosure 1.

2. Offers will not be solicited from, contracts will not be awarded to, existing contracts will not be renewed or otherwise extended for, and subcontracts requiring Government approval will not be approved for the company by any agency in the executive branch of the Federal Government unless the head of the agency taking the contracting action or a designee states in writing the compelling reason for continued business dealings between the company and the agency.

3. The company may not conduct business with the Federal Government as an agent or representative of other contractors, nor may it act as an individual surety for other contractors.

4. No Government contractor may award a subcontract equal to or in excess of \$25,000 to the company unless there is a compelling reason to do so and the contractor first notifies the contracting officer and further complies with the provisions of FAR 9.405-2(b).

5. No agency in the executive branch shall enter into, renew, or extend primary or lower-tier covered transactions in which the company is either a participant or principal, unless the head of the agency grants an exception in writing. (Covered transactions are defined at 32 C.F.R. Section 25.110).

6. The company may not act as an agent or representative of other participants in federal assistance programs.

7. The company's affiliation with or relationship to any organization doing business with the Government will be carefully examined to determine the impact of those ties on the responsibility of that organization to be a Government contractor or subcontractor.

Within 30 calendar days after receipt of this notice, the company or a representative on its behalf may submit, either in person or in writing, or both, information and argument in opposition to the suspension. If you designate a representative to respond on your behalf, please notify my counsel in writing of the identity of the representative. The designation should specifically state the names and addresses of all individuals or companies the designee has the authority to represent in this matter.
